RATES OF ADVERTISING. Newspaper proprietors generally, and especially of this ty, under the usages and regulations beretofore preva_ing re called upon to perform more labor without remuneration, than any other class of community. The gratuitous publication of charity and religious advertisement, and communications, tributes of respect, obituaries, &c., &c., which can only be inserted at a heavy cost to the proprietor, im-poses upon them a burden so onorous, that they feel called upon, in self-defence, to check the abuse, by making such publications a charge, to some extent at least, upon the parsupon, in self-defence, to check the angle, to some extent at least, upon the parties more missed at the press in other cities, impelled by a sense of its intrinsic propriety, and imperative duty to themselves. The subscribers have, therefore, united together in a mutual agreement, upon the lo lowing specified ferms as the publication of these as well as every sort of regular and finish, of 6, 6%, v%, and 7 octaves, manufactured by

ECONOMY AND COMPORT. DR. C. W. CROZIER'S Camphor Wash Mixture, Patented July 11, 1854, and which received the Premium at the Nashville Fair in October last. Warranted to contain nothing in the least injurious to Clothes; also

THE undersigned, having repeatedly been solicited to make consignments of the Patent Camphor Wash Mixture, has concluded to sell no more county rights in this State, but will in future have the Improved Camphor Wash Mixture put up and distributed throughout this State (except in the counties where the rights have been disposed of) and in the State of Alabama. And that he may be enabled more effectually to make this arrangement, he recovered and in the State of Alabama. And that he may be enabled more effectually to make this arrangement, he proposes to divide the patent for Tennessee and Alabama into 1,000 shares, one fourth to be retained, and the remainder—750 shares—will be effered for sale. A person remitting ten dollars will have one share in the Patent, to run fourteen years from July II, 1854, and will be at the same time investing also five dollars to be used in the purchase of the ingredients, advertising and the necessary expenditure of the means to prepare and distribute the Mixture for sale.—Consignments will be made to shareholders, (who may request it,) and to no other persons, to the amount of their remittance. And they will be allowed a commission of 83 per cent on their sales, and also their proportion of the profits at large.

per cent on their sales, and and their proportion of the profits at large.

Annual exhibit of sales will be made, and dividends of the profits remitted to each shareholder. No debts will be contracted, nor will the Company be responsible for any, as the business will be conducted upon the cash system.

Any of those who have purchased putents for countles in this State, can have the privilege of exchanging their rights for share at the prices they have paid. This exchange will be made at the cost of the Patentee.

It is desirable to have at least one or more active shareholders in each counts in the States named. Subscriptions It is desirable to have at least one or note active inare-holders in each county in the States named. Subscriptions for shares will be closed by the 1st September next. And consignments of the Mixture will be made very soon there-after. Certificates issued to shareholders, who will request consignments as after. Certificates issued to sharencesses, the Agency, if they desire it.

The undersigned will act Agent until the shareholders elect three directors to serve one year, who will have the management until their successors shall be elected.
